Monti Trentini is thrilled to announce its first-ever participation in **MARCA 2025**, one of the world's most significant trade fairs dedicated to private label products. Taking place on **January 15 and 16 at BolognaFiere**, this prestigious event brings together top industry professionals, buyers, and retailers. Visitors will find **Monti Trentini in Hall 16, Stand E62/D63**, where we will showcase our range of premium cheeses, crafted with nearly a century of expertise blending Trentino's artisanal traditions with modern, sustainable practices.

MARCA represents an essential platform for the private label sector, which continues to grow and evolve in response to changing market demands. Monti Trentini will use this opportunity to present a curated selection of its finest cheeses, emphasizing its ability to offer tailor-made products perfectly aligned with retailers' brand identities. With a commitment to excellence, sustainability, and innovation, Monti Trentini is proud to demonstrate its flexibility and deep understanding of partners' unique needs in this dynamic industry.
